**Short-term Course Schedule
Medical Terminology and Anatomy & Physiology**

Medical Terminology and Anatomy and Physiology are offered as online courses only. Both courses meet the prerequisite requirements for the Practical Nursing program at Mid-Del Technology Center.

Classroom attendance is not required, as these courses are offered online only and are to be completed off campus. Therefore, students need to have online access to complete either and/or both courses. However, all testing must be completed on campus in the Practical Nursing program's computer lab during the following scheduled times: Monday – Friday, at 9:00am and/or 3:00pm. Other exam times may be arranged with prior notice. It is possible to take two exams in one day.

For course and enrollment information, please call the Practical Nursing Office at 405-739-1713. Payment for courses is due upon enrollment.
