BUSINESS & INDUSTRY COURSES

CUSTOMIZED INDUSTRY TRAINING & SERVICES: Your company's success depends on the productivity of its most valuable resource... your employees. Products, services and processes will change, but the need for qualified personnel will not. Informed, well-trained employees mean the difference between your company's financial statement being in the red... or being in the black.

Mid-Del Technology Center's Business & Industry Services (BIS) can help your company assess, analyze and target cost-effective solutions for all of your business training needs. We work with you to develop and deliver training solutions customized to your unique business needs at our site or yours. Our BIS team will operate as an extension of your company to coordinate, schedule and deliver a customized comprehensive program that will strengthen your business. For more information call 405-672-6665.

MDTC's customized industry training and services include, but are not limited to:

- Management, Supervision & Leadership Development
- Customer Service, Skills-upgrade & Continuous Improvement
- Operation, Equipment, Technical & Process Training
- Needs Analysis, Strategic Planning & Train-the-trainer
- Team and Organizational Development
- Computer Applications and Software training
- Industrial Maintenance training
- New Hire Orientation
